Take Control of Your Healthcare Costs Today With Confidential and Affordable Diagnostic Imaging

The CDBAA introduces PrePaidImaging.com. It has never been easier to have diagnostic tests performed. PrePaidImaging.com offers you the same high quality tests that your doctor does, but at a more affordable cost. From the comfort of your own home, you can browse our list of convenient locations or search for the tests you need.

PrePaidImaging.com is a cost effective and unique way for consumers who are uninsured/underinsured or for companies with Health Savings Accounts (HSAs), Health Reimbursement Accounts (HRAs) and Workers' Compensation Plans to help control rising healthcare costs.

**PrePaid
Imaging.com**

The logo for PrePaidImaging.com features the text "PrePaid Imaging.com" in a blue, serif font. A silver caduceus symbol is positioned to the right of the text, partially overlapping the word "Imaging".

About Us

PrePaidImaging.com is a direct to consumer diagnostic imaging company that provides a convenient, reliable, and affordable way for consumers to take control of their healthcare costs. All tests are performed by nationally recognized and certified testing centers.

PrePaidLab.com represents a meaningful advance in health care cost containment for today's consumers by combining the expertise of qualified doctors, nurses, and other healthcare professionals with friendly service and quality testing to create a convenient way to learn about your health.

Why Use PrePaidImaging.com

PrePaidImaging.com provides consumers with the ability to easily access image testing utilizing a network of over 5,300 locations across the United States.

Quality and savings are guaranteed!

Diagnostic Imaging is arranged by **PrePaidImaging.com** saving you time and money.

MRI

Magnetic Resonance Imaging (MRI) is a medical imaging technique most commonly used in Radiology to visualize the structure and function of the body.

CT

Computed Tomography (CT) scan uses x-rays to make a detailed picture of structures inside the body.

Get your test results within a few days

As soon as your order is processed we will locate a nearby testing center and send you all necessary paperwork for the test you requested. Simply have the test(s) performed at the Imaging Center. The results will be sent directly to your referring physician.

PET

Positron emission tomography, also called PET imaging or a PET Scan, is a type of nuclear medicine imaging

How It Works

STEP 1

Locate the Nearest Testing Facility

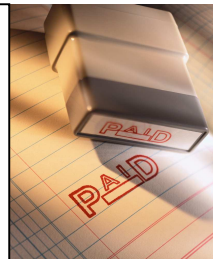

Call **800-903-3921** to locate the nearest Testing Facility to you.

STEP 2

Ordering Your Tests

After your physician provides a prescription for the tests, call **800-903-3921** to order them.

STEP 3

Visit The Imaging Center

After placing the order, all the paperwork you need to take to your Testing Facility is sent directly to you.

STEP 4

Review The Results

The Testing Facility will forward the results directly to your physician for review.

Take control of your healthcare costs today

Our Mission at PrePaidImaging.com is to provide easy access to affordable diagnostic imaging.

How You Benefit

PrePaidImaging.com is a cost-effective and unique way to benefit consumers who are un-insured/under-insured and for companies with Health Savings Accounts (HSAs), Health Reimbursement Accounts (HRAs) and Workers' Compensation Plans. **PrePaidImaging.com** helps control rising healthcare costs by offering employees access to more affordable costs on diagnostic testing.

Third Party Administrators (TPAs) can increase employer and employee satisfaction, influence consumer behavior, help reduce costs to clients, motivate sales teams and, with proper disclosure, drive revenue.

Best of all, the program is easy to implement and can be designed to fit the needs of Health Savings Accounts (HSAs) and Workers' Compensation Plans.

Take control of your diagnostic testing costs right now. For more information about affordable and quality diagnostic testing, go online to **PrePaidImaging.com**; or, call one of our counselors at **800-903-3921**. Let **PrePaidImaging.com** help lower your health care costs.
